

Asynt guide to choosing the correct magnetic stirring flea for your flask

The oval magnetic stirring bars are generally considered the most effective for stirring via a magnetic hotplate stirrer when using three flasks at a time via the DrySyn MULTI heating block system. By choosing the correct size for your flask you can make a considerable difference to the quality and uniformity throughout your reactions.

Part No.	Description
ADS3-SB-15	Stirrer bar for 10ml flasks (pack of 3)
ADS3-SB-25	Stirrer bar for 25ml and 50ml flasks (pack of 3)
ADS3-SB-30	Stirrer bar for 100ml to 500ml flasks (pack of 3)
